

Marketing Sherfield-on-Loddon Village Hall to Local Businesses

Creating not only meeting spaces, but also the space to meet

We have enough space in the Main Hall to be able to accommodate:

- Remote office workers
- Those who find it difficult to work from home, or it is now too cold to use the shed
- Groups who wish to meet and comply with social distancing guidelines
- Remote workers who need to meet clients.

What is the Village Hall offering?

- Safe and secure work and meeting spaces
- Tables and chairs which are regularly sanitised
- Hand sanitisers
- Toilets
- Accessibility
- Free wireless broadband
- 32" wall-mounted screen for use as a TV or monitor
- Projector and screen
- Flipcharts, pens and paper
- Hearing loop
- Lectern
- Mains electricity points

- Refreshments
- Breakfast and/or Lunch

- Free parking, including disabled parking
- Access to outside space
- The facilities of the village, such as The Shop, the Salon, the coffee shop, and the pubs.

We will need to offer printing, photocopying and scanning facilities.
Could we offer the use of a camera for virtual meetings?
